INTRODUCTION

This report has been prepared to provide general information about the staff and student membership in Colorado's school districts.

This report combines information previously made available in two separate publications; Certificated Personnel - Salaries and Related Information and Pupil Membership and Related Information.

It also contains discontinuer rates and pupil/teacher ratios previously reported in the Consolidated Report on Elementary and Secondary Education.

Additional tables have been added in an attempt to summarize school district data that is most often requested.

Should you have any questions regarding the data presented in this publication or if you have any suggestions on how we may improve the publication, contact Jo Ann Keith at 573-3291.

LIMITATIONS AND EXPLANATIONS

CALENDAR YEAR 1984

Financial information provided in this report is based on reports furnished by school districts and boards of cooperative services pursuant to C.R.S. 1973, 22-44-105 and 22-50-109(3).

Each Table is arranged alphabetically by county for school districts and by name for boards of cooperative services. Within each county the school districts are listed in legal number order.

Three lines of information related to each source of revenue or expenditure are shown on Tables 1, 2 and 3. The first line shows the dollar amount for each source; the second line shows the dollar amount per pupil (ADAE); the third line shows the percentage of the total revenues or expenditures for all funds each revenue or expenditure category represents.

EXPENDITURE TOTALS AND SUBTOTALS (State Totals, School District Subtotals, and Boards of Cooperative Services Subtotals): The amounts shown are unduplicated expenditures determined by aggregating the total amounts and subtracting transfers between school districts and boards of cooperative services.

OCTOBER 1983 AVERAGE DAILY ATTENDANCE ENTITLEMENT (ADAE): This is the final average daily attendance entitlement count as reported by the local districts on Form CDE-20 with adjustments for second semester kindergarten, year-round schools and department audits.

TABLE 1: REVENUES - ALL FUNDS (Excluding building fund bond receipts and beginning fund balances): Revenues are shown by local, state and federal sources. Local revenues have been subcategorized to show amounts received from all property tax, general fund property tax (controlled by the public school finance act), and other local sources. State revenues have been subcategorized to show revenue from state equalization and from all state sources.

BUILDING FUND BOND RECEIPTS: For accounting purposes, receipts from the sale of bonds are not considered revenues. Therefore, they have not been included in the REVENUES total and appear as a separate item.

SCHOOL DISTRICTS SUBTOTALS: are shown on pages 26-27.

BOARDS OF COOPERATIVE SERVICES SUBTOTALS: are shown on pages 30-31.

STATE TOTALS FOR TABLE 1: are shown on pages 30-31.

TABLE 2: REVENUES AND EXPENDITURES FOR SELECTED FUNDS: Revenues and expenditures are shown for the building, capital reserve, and bond redemption funds.

(NOTE: Both the building fund revenues and total revenue for all funds include building fund bond receipts). Revenues and expenditures are also shown for the operating areas represented by the general fund, pupil activity, food service, insurance reserve and other funds.

(NOTE: General Fund Revenues and Expenditures have been reduced by the amount of governmental designated purpose grant funds which have been reported as part of the general fund). The other fund category includes revenues and expenditures for governmental purpose grant funds.

TOTAL CURRENT EXPENDITURES LESS TRANSPORTATION: Total current expenses is the total of all expenditures made during the budget year from all funds except for capital outlay, capital reserve fund, bond redemption fund, building fund and transportation expenditures. The information provided increases the data comparability to the districts.

SCHOOL DISTRICT SUBTOTALS: are shown on pages 66-67.

BOARDS OF COOPERATIVE SERVICES SUBTOTALS: are shown on pages 72-73.

STATE TOTALS FOR TABLE 2: are shown on pages 72-73.

TABLE 3: EXPENDITURES - ALL FUNDS (excluding building fund expenses; including encumbrances and transfers to other school districts or boards of cooperative services): Expenditures are listed in four major groupings: Instructional, Supporting Services, Community Services, and Other Funds Expense. Instructional supporting services, and community services expenses consist of expenditures from the general fund, intra/intergovernmental service fund, and all governmental designated-purpose grants. Expenditures that have not been included in any of these three groupings are included in the other funds expense (with the exception of building fund expenses which have been excluded from this table). In addition, the instructional and supporting service functional areas are subdivided into various objects.

SCHOOL DISTRICT SUBTOTALS: are shown on pages 96-97.

BOARDS OF COOPERATIVE SERVICES SUBTOTALS: are shown on pages 100-101.

STATE TOTALS FOR TABLE 3: are shown on pages 100-101.
